

Just ONE dollar feeds one dog or five cats per day

Joining the Banks Program allows you to support the SPCA in their effort to providing shelter, rehabilitative, and medical care for homeless animals.

Spare change— quarters, dimes, and nickels— tossed in our coin banks helps keep our lights on, our animals cool in the summer, warm in the winter, and help put food in every bowl.

You can get involved with this movement in one of two ways:

As a business owner, provide counter space for a SPCA coin bank, and create opportunities to donate to help the animals at our shelter. The small change makes a significant difference, saving lives every day.

Become a Trailblazer!

- Connect with local businesses and ask them to display a SPCA coin bank.
- Hold a “Dollar for Dogs, Coins for Cats” coin drive at your school, church, office, or organization.
- Start your very own virtual collection can. By starting an online fundraiser and inviting your family and friends to donate, you are helping the 2,500 animals that enter our shelter each year.

By Starting your virtual collection can, you can:

- Design your page and your message
- Connect with social media to spread the word
- Tell everyone you know to donate online
