I certify that I am the owner (or duly authorized agent for the owner) of the animal described above and that I surrender custody to The Society for the Prevention of Cruelty to Animals (SPCA) of Anne Arundel County, Maryland, Inc. I certify that the information listed above is true and correct to the best of my knowledge. I certify that to my knowledge, no one else has the right to the property of this animal and that it has not bitten any person or animal in the last ten (10) days. I understand that I may not reclaim it and that it may be placed in an adoptive home, with an appropriate breed rescue group, or humanely euthanized, either immediately or if the SPCA determines that a suitable home cannot or should not be found. I understand that the final disposition of the animal will not be disclosed.

X _____ Date _____ Donation _____ Supplies _____

The SPCA of Anne Arundel County is a private, non-profit organization. We receive no funds from any city, state, or local government agencies. We provide vaccinations, medical care, food and love for all of our shelter animals. We rely on donations and our small adoption fees to help care for the hundreds of animals surrendered to our shelter each year.
