Spring 2021

SPCA OF ANNE ARUNDEL COUNTY | [AACSPCA.ORG](http://AACSPCA.ORG)

# DEAR FRIENDS,

What an exciting time for us all; spring is just around the corner and much like the proverbial groundhog, we are peeking our heads out, cautiously optimistic for what 2021 has in store for us.

In our pre-pandemic lives, each spring newsletter brought you information about our annual Walk for the Animals, one of the SPCA's oldest and largest fundraisers. But like many of us, we must be ready to adapt to our changing world. The Walk for the Animals was traditionally a springtime event, held each May, but because the safety of our community, friends and supporters is paramount, we have postponed this popular event. We have scheduled the Walk to be held on Sunday, September 26 at Quiet Waters Park. We are in close contact with our community leaders and health professionals and will update our event to reflect their most current safety recommendations. Please check our website at [www.aacspca.org](http://www.aacspca.org) to keep up to date on the Walk for the Animals, as well as all of the other happenings at the shelter.

**I must express how grateful I am to all of our wonderful supporters. Even during such challenging times, you showed us just how much you value our work by supporting the SPCA. All of our successes and achievements are because of your kindness.**

I do hope you enjoy this issue of Paw Prints and wish you and your loved ones a happy spring.

Kindest Regards,

*Kelly Brown*

## Meet Ellie

### We love Ellie, and we know you will too!

She loves to go for walks with the staff and volunteers, but is always ready to take a break and strike a pose.

While she is normally very photogenic, sometimes her pictures don't show her true beauty. (Although we think this shows her silly side.)

Ellie wants to be around people all of the time and has never met anyone she doesn't like. She adores the volunteers, staff and visitors to the shelter, and we are all crazy about her as well.

Ellie has chronic eye and ear issues so she needs a home that will prioritize her medical needs. While they are managed well on medication, she needs to be monitored by a veterinarian to ensure her continued health. But Ellie will repay your investment in her health with all the love in her heart.

Our sweet Ellie is not the only animal with special medical needs. Look inside this issue of Paw Prints to meet some of the other animals who have benefitted from the care our supporters make possible with their generosity.

## PAWS AT THE MALL

If you haven't been to Westfield Annapolis Mall and visited our new Paws at the Mall adoption center, you are missing out on the fun!

Paws at the Mall is the one of the world's few animal shelters located within a shopping mall. Visitors to this vibrant adoption center love being greeted by adoptable cats, and meeting cuddly critters who are ready to be adopted into new and loving homes. Cats are able to roam free and interact with the guests, allowing their true personalities to shine.

We invite you stop by, meet a furry friend, and shop the unique and one-of-a-kind merchandise, all to benefit the SPCA.

## WHAT IS THE BETSY MEDICAL MEMORIAL FUND?

The Betsy Medical Memorial Fund exists to help save the lives of animals in need of extraordinary medical care. There have been many animals that enter our shelter with serious injuries or illnesses, and it is because of animal lovers like you that our shelter can provide them the care they so desperately need.

Buoy

Buoy is not even a year old yet, but he has a lot on his plate. This outgoing, playful and cuddly fellow has been diagnosed with a heart murmur and needs to be monitored by a specialist. Buoy doesn't let anything slow him down, and his cardiologist has a great plan of action to keep Buoy healthy. His foster family has trouble keeping up with him, and we all feel so fortunate that we have so many supporters making sure cats like Buoy can get the help they need.

Miss Dottie

Let us introduce you to Miss Dottie! This sweet lady came to us from another shelter and we fell in love with her wagging tail and beautiful eyes. Unfortunately, she is suffering from a carpal luxation, which causes pain and discomfort in her joints. We consulted with orthopedic specialists and are arranging surgical correction of this issue, which is very costly. Her surgery costs will likely exceed \$5,000. Although her care will cost a lot, Miss Dottie is worth every penny!

Lizzy

Little Lizzy was just a tiny ball of fur when we first met her. Timid and frightened, Lizzy was found outside alone and shivering. She was very ill with pneumonia and required emergency veterinary care that included several days in an oxygen tent. Thankfully, Lizzy made a full recovery and is now a bundle of energy.

# SPECIAL THANKS TO...

## FIX THIS HOUSE GIVES TO THE SPCA!

The Fix This House crew took a break from working hard all year long to give back to the community. Their annual fundraising event raises so many donations for the SPCA. **The dogs and cats at the shelter will really benefit from the incredible donations collected by the Fix This House team.** We want to send our special thanks to all who helped, and to Mike and Dana Strotman for organizing this fundraiser!

We have to say that **CHICK-FIL-A** definitely gives back to the community. **Their pet supply drive collected bags of pet food and plenty of supplies to keep the animals here at the shelter happy and healthy.** We are so grateful for all of their hard work ... Thank you so much, Chick-Fil-A!

**ANNAPOLIS DOG THRIVE** wanted to celebrate the holidays and help the shelter, so they came up with a great idea. They made amazing homemade ornaments and offered them to their clients, with the proceeds benefiting the shelter. **This fundraiser raised \$1,600 for the shelter, which makes a world of difference for the animals.** We really appreciate your support, Annapolis Dog Thrive.

**TAYLOR** is so committed to helping animals. **She worked tirelessly to host a fundraiser for the SPCA and collected pet food, supplies and donations that will really help us take great care of the animals.** Thank you so much for everything you do for the SPCA, Taylor.

**PARADISE LANDSCAPING** is a great friend to the SPCA. **Their fundraiser collected an entire truckload of pet food and supplies to make sure that the shelter animals had everything that they needed as they await adoption into loving homes.** We thank you, Paradise Landscaping, for helping the animals.

**MIA** is very creative and a huge animal lover. She put her ideas to work and invented what she calls a "pup-up shop!" This shop featured homemade pet toys and supplies, and even personalized plaques that her customers love. Her products were a huge hit and she sold out of every item she had for sale. **Mia shared all of her proceeds with the shelter to help the animals she cares for so much. She raised \$470 for the SPCA.** Thank you, Mia!

## THANK YOU, TANDIUM!

We are very lucky to have the opportunity to work with Tandium for our payroll services. We are even more fortunate that Tandium is staffed with so many animal lovers. **They wanted to make the holidays bright for the SPCA and donated an entire car load of cat litter, dog and cat food, and toys for the animals.** What a wonderful gift.

# TAILS ARE WAGGIN' FOR...

## Shelter Friends

Thank you to the supporters of SPCA who volunteered, collected supplies and donations, held lemonade stands, bake sales, and other fundraisers to raise donations to help the animals.

Aurora N.	Taylor G.	Charlotte G.
Matthew F.	Collin and Caroline	Elliott S.
Avery S.	Adrianna W	Izzi S.
Nora and Elle	Crestwood Homemakers	Jake W.

## Birthday Buddies

Happy birthday and thank you to our friends Sophie and Emily S. who asked that they receive donations, supplies, and gifts to donate to the SPCA on their birthdays.

# THANK YOU TO OUR LIGHTS ON THE BAY SPONSORS!

The pandemic changed so much about how the SPCA of Anne Arundel County celebrated the holidays with our community. Many of us could not gather with family or friends the same way we have done in years past. Luckily, Lights on the Bay turned out to be a great way to maintain the holiday spirit and allowed everyone to adhere to COVID-19 safety protocols.

We had a record-setting year at Lights on the Bay with more than **30,000 cars** driving through the light show! With so much upheaval in all our lives, we can take comfort in the traditions that can be safely carried on. All of the show's guests were awed and inspired by the beauty of the thousands of twinkling lights.

We thank all of our sponsors for helping keep the holidays merry and bright with Lights on the Bay.
