SPCA OF ANNE ARUNDEL COUNTY | AACSPCA.ORG

DEAR FRIENDS,

We want to thank you for your incredible support as we all struggled to cope with the challenges that the pandemic brought us all. It is just so overwhelming to have so many wonderful people in our community that believe in our mission and ensure we can continue our lifesaving work.

Each animal that comes to the SPCA of Anne Arundel County is special and we pledge to spare no effort in making sure that they find their new families. Many of the animals do need extra attention; look inside this newsletter to meet one of them. Sweet Daisy's story will warm your heart and her happy ending is the reason we work so hard every day. We work tirelessly so all of the animals that need us will find loving homes, just like Daisy.

There is still so much work ahead of us, and I must turn to you to help us save even more animals. We would not have made it this far without your help and it is animal lovers like you that make happy endings possible for those who need us the most. Please consider supporting the SPCA of Anne Arundel County with your generous gift today.

Sincerely,

Kelly Brown

Meet Daisy

When another shelter called us and asked us to help with a very special dog, we couldn't wait to meet this young Chihuahua mix. The day we first met Daisy, her name was Sherry, and she was a ball of energy. We called her the blur because she was always zipping from one end of the room to another, ready to greet any new face in the room. To meet Daisy, you would never know she was born with a condition called megaesophagus.

This condition makes it difficult for her to swallow and to keep food down. Daisy has to eat in an upright position and remain vertical for a while after eating so her food can digest. It's also important for her to stay calm and quiet after eating to prevent vomiting ... well you can imagine how hard that is for a young Chihuahua.

To help Daisy, we were able to obtain a custom made Bailey Chair, which she sits in comfortably when eating. She adapted to her new chair quickly and couldn't wait to hop in for meal time!

Once Daisy was adopted, we kept in touch with her new family. While her new brother Bob wasn't sure what to make of this wiggly little pup at first, they are now the best of friends. She's loving her new home and her new family!

TRICK OR TREAT TRAIL

You can tell Halloween is around the corner when the SPCA's nature trail transforms into a spooky adventure, the perfect way for you and your family to celebrate. We had some help with our scares last year. What do you think, is this little fellow a trick or a treat? We vote for treat!

LITTLE NELLIE KELLIE

If you have attended an SPCA event, odds are you have met Little Nellie Kellie. She and her human, Bob, are familiar faces at many of our events, sharing the adorable calendars Bob sells to raise money for the shelter. Bob has a special connection with the SPCA. Little Nellie Kellie was adopted here. Thank you for your wonderful support, Bob. And thank you for giving Nellie such a loving home.

Thank you for being a Friend

Betty White was not only an inspiration to the world, but a friend to us all. Upon the sad news of her passing, the Betty White Challenge was born. On January 17, 2022, which would have been her 100th birthday, the world honored her memory, her passion and her love for animals by supporting shelters all over the world. We've all been touched by her kindness and her longtime love of animals and her legacy will live on in all of the lives we can save. Through the Betty White Challenge, the SPCA received an unbelievable \$20,000 in donations.

Betty, you truly were a friend to us all.

SPECIAL THANKS TO ...

GIRL SCOUT TROOP 4905

Both the shelter animals and the staff got a surprise from Girl Scout Troop 4905. The Scouts made Valentine's Day gift bags with snacks for the animals, and also brought Girl Scout cookies for the humans to enjoy. It brightened our day so much to have a visit from Girl Scout Troop 4905.

ALANA AND CHARLI

Alana and Charli collected donations for the SPCA instead of asking for gifts for themselves on their birthdays. What a wonderful way to celebrate. Thank you so much, Alana and Charli!

FIX THIS HOUSE

The Fix This House crew is back at it again! They celebrated their annual tradition of shopping for the SPCA Day and gathered a truckload full of goodies for the animals at the shelter. We thank all of the wonderful participants, with special wags and purrs for Dana and Mike Strotman who organize the event each year.

LEO

Leo loves animals, so he wanted to help by collecting gifts for them. He stopped by the shelter to bring the animals their donated pet supplies, and said hello to some of the shelter's residents. Leo, we really appreciate your support.

PAC

The students of the Pet Appreciation Club at Broadneck High School were able to gather pet food and supplies to benefit the animals awaiting adoption here at the shelter. The President of the PAC stopped by to deliver the donations. Thanks so much!

KEENAN

With so many animals under our care, as you can imagine we get a lot of deliveries of food, supplies and medications to keep our residents happy and healthy. It can be hard to manage all of those incoming shipments. So when Keenan suggested building shelving units to help us keep our deliveries and supply orders organized in order to attain the rank of Eagle Scout, we knew that it would make our days so much easier. His shelves in the lobby of the administration building are both attractive and functional. He also made the sturdy shelves to store the many supplies we need to care for so many animals need on a daily basis. He and his fellow scouts took the time to install the shelves for us as well. What a fantastic project; thank you so much for all of your hard work, Keenan.

NATALIE

Natalie, in addition to being a Life Scout in Scouts BSA Troop 214, is a huge supporter of the SPCA. So when it came to be time to earn the esteemed rank of Eagle Scout, she knew right away that she wanted to support the SPCA. Natalie enlisted the help of some of her fellow Scouts they made 34 cat beds, 15 cat scratchers, 30 cat toys and 30 dog toys. But she didn't stop there; she also filled her car with supplies from the shelter's Amazon wishlist. Nice work, Natalie, it is a wonderful accomplishment to attain the rank of Eagle Scout.

JOSEPH AND JORDAN YOUNG

All of here at the SPCA are sending out congratulations to Joseph and Jordan. For their wedding, guests didn't bring the usual toasters and serving platters to the happy couple. Instead, they brought pet food and supplies for the SPCA animals instead. Thank you for making us part of your special day, Jordan and Joseph.

EMERSON AND REESE

Boy, are Emerson and Reese great at helping the SPCA! The funds they raised will make such a difference in the lives of the animals. We really appreciate you guys.

Ashley McHugh

Ashley McHugh tragically passed away on March 31, 2021 at the young age of 36, as a result of complications from COVID-19. Ashley was selfless, compassionate, giving and sincere. Her love for nature and animals was unmatched. She touched so many lives and inspired kindness with everyone lucky enough to meet her. A true animal lover, her dog Lincoln was her pride and joy. To honor her memory, her family organized a fundraiser to support the SPCA. The outpouring of love and support for Ashley's memory was incredible. They surprised us with truckloads of pet food, toys, beds and other supplies. They also donated gift cards for Chewy, that have allowed us to feed so many of our animals. Ashley's family plans to make this a yearly tradition to help keep her legacy alive.

THANK YOU TO OUR LIGHTS ON THE BAY SPONSORS!

Lights on the Bay was back and better than ever. There is no better way to celebrate the holidays than with the SPCA. If you missed Dashing through the Show, Lights & Leashes, or Lights on the Bay, you are barking up the wrong tree! Every year, we love seeing all of you enjoying the holiday fun as well as the new displays. We want to send a special thank you to everyone who joined in the fun. We appreciate our sponsors, who make it all possible.
